

magog

Classic and **sophisticated** tables.

logiflex

A woman with long brown hair, wearing a black sleeveless top and light-colored pants, is sitting on a black metal stool at a white Magog table. She is holding a light-colored mug. The table has a white cylindrical pedestal and a white circular base. To the left of the table is another black metal stool with a white backrest and a brown cushion. A green plant is on the floor next to the stool. The background is a large window with a black frame, showing a view of a city with brick buildings and a bridge. The floor is a light-colored, textured material.

A wide variety of applications.

Magog is a classic collection of tables that look both sophisticated and casual. These tables can be combined to suit a wide variety of applications. Magog is a perfect fit for official or informal meeting spaces, private offices, reception and lounge areas, and halls.
