MANUFACTURING PROCESS

Refer to the Millenium furniture collection specification sheet available on Logiflex's website.

CERTIFICATIONS AND STANDARDS

The supplier-sourced laminate used in our furniture complies with several standards. See the "Responsible Materials" section of the Logiflex Environmental Initiative.

CLEANING AND MAINTENANCE

See Logiflex's Maintenance Guide.

PRODUCT SERVICE LIFE

We encourage office furniture retailers to refer their customers to an office furniture reuse network. Certain components, such as doors, fronts, furniture delivered unassembled and components assembled with cam fittings can be reprocessed, replaced, dismantled or recycled.

OUR COMMITMENT

Logiflex has a proactive environmental initiative. Accordingly, we are currently setting up mechanisms to help us improve our practices and meet environmental expectations.

Relevant documents are available in the Logiflex Environmental Initiative.
